

Sections

Department "**Organization and technology of irrigation and drainage works**" is a plan of the section "Young technologist" for the 2018-2019 academic year

No.	Topics	event time	Head of the mug
1	Members of the club will be informed about the goals and tasks of the group of young specialists	02.10. 2018 G-603, hour 15:00	A.Atazhanov
2	Importance of technology used in the construction of water bodies	16/10/2018 D-603, hour 15:00	A.Atazhanov
3	The role of the Decree of the President of the Republic of Uzbekistan of 19 April 2013 No. PP-1958 and Decree of the Cabinet of Ministers of the Republic of Uzbekistan of 24 February 2014 No. 1958 on water management facilities.	30/10/2018 D-603, hour 15:00	A.Atazhanov
4	A critical study of the technology used in the construction of water bodies	13/11/2018 D-603, hour 15:00	A.Atazhanov
5	Development of proposals for studying and introducing modern foreign technologies used in the construction of water bodies	27/11/2018 D-603, hour 15:00	A.Atazhanov
6	To get acquainted with the engineering software used in the construction of water bodies	12/04/2018 D-603, EBLD 15:00	A.Atazhanov
7	Activities of the State Unitary Enterprise, specializing in land reclamation and water management	18/12/2018 D-603, hour 15:00	A.Atazhanov
8	Features of the use of modern technologies in the construction of facilities in Uzbekistan	22/01/2019 D-603, hour 15:00	A.Atazhanov
9	Features of Tunneling and Underground Construction in Uzbekistan	05/02/2019 D-603, hour 15:00	A.Atazhanov
10	Technology of protection against moisture for hydraulic installations in irrigation and melioration systems	19/02/2019 D-603, hour 15:00	A.Atazhanov
11	Advantages of the technology of "wall formation on the ground" and sequence of realization	5.3.20January 9 D-603, hour 15:00	A.Atazhanov
12	Organization and technology of water supply work in the construction of large structures	19/03/2019 D-603, EBLD 15:00	A.Atazhanov
13	Integrated mechanization of cleaning large reservoirs and channels using hydromechanical tools	02.04.201 9 G-603, hour 15:00	A.Atazhanov
14	Application of modern technologies in construction of structures in Uzbekistan	16/04/2019 D-603, hour 15:00	A.Atazhanov
15	Importance of using information technologies in organizing hydrometeorological work	30/04/2019 D-603, hour 15:00	A.Atazhanov
16	Technology and integrated mechanization of reconstruction of irrigation networks in our country	14/05/2019 D-603, hour 15:00	A.Atazhanov
