

Olympiads selects the smarts

The 1st Republican Olympiad on "Pump and Pump Stations" and "Hydropower Station" was held. Taking into account the fact that the Republican Olympiad is actual and responsible issues of the department, and the National Program for Personnel Training, the department "Using Water and Pump Stations" organized the 1st stage of Olympiad on subject "Pump and Pump Stations" and "Hydroelectostations".

Report by D.Bazarov, the head of the department of UWEPS

R.Jumaniyozov, the press secretary of the institute
