

First International Alumni Conference of Former "Umid" Foundation

Associate Professor of the Department of MoHW S. Vafoev and trainee teacher S. Kholova actively participated on the first international Alumni Conference of former "Umid" foundation.

At the beginning, there was held an opening ceremony of the conference, in the afternoon the sections began their work. The moderator of the section "Innovative Technologies in Agriculture" was the Minister of Agriculture of the Republic of Uzbekistan Khodzhaev Zhamshid Abdukhakimovich. Conference participants made their reports and presentations. Discussions were in the form of answers to questions. The teachers of our institute presented their innovative projects on water-saving technologies and took the initiative in their hands.
